💼 Professional Experience

Full Stack Developer, *Resolut Partners*

04/2023 – present | Mumbai, India

- Engineered a custom billable hours tracking system for legal professionals, resulting in a 25% increase in accuracy
- Saving 10+ hours per week on manual invoice generation tasks.
- Developed a system that includes two user roles: administrators and lawyers.

Key metrics:
- **50%** reduction in time spent on invoices and reports.
- **30%** decrease in billing and invoicing errors.
- **20%** increase in billable hours thanks to the personalized calendar.
- Centralized and automated billing and time-tracking for Resolut Partners, saving an estimated 15 hours per week.

🎓 Education

Bachelors Of Technology in Computer Science, *Lovely Professional University*

07/2016 – 06/2020 | Phagwara, India
